CPQA-AQCP 2020 Program Sponsorship

The *Canadian Pathology Quality Assurance – Assurance Qualité Canadienne en Pathologie* (CPQA-AQCP) is a non-profit corporation dedicated to ensuring quality biomarker testing in medical diagnostic laboratories. The organization is a result of the evolution of the Canadian Immunohistochemistry Quality Control in response to the ever-changing landscape of diagnostic medical laboratory testing in Canadian and international laboratories. CPQA-AQCP provides clinical and technical support to all participants and collaborates with our industry partners.

Become a CPQA-AQCP sponsor today! Please indicate your level of support below:
