CPQA-AQCP 2024 Program Sponsorship

The *Canadian Pathology Quality Assurance – Assurance qualité canadienne en pathologie* (CPQA-AQCP) is a non-profit corporation dedicated to ensuring quality biomarker testing in medical diagnostic laboratories. We provide proficiency testing, as well as assistance with biomarker optimization and validation to laboratories within Canada and internationally regardless of jurisdiction or existing accreditation requirements. CPQA-AQCP provides clinical & technical support to all participants and collaborates with our industry partners.

Become a CPQA-AQCP sponsor today! Please indicate your level of support below:
